

THE COURSE

The Peachtree City Classic is unique in its use of paved cart paths for the race. This scenic race is run mostly on the paths through green belt areas, by lakes, through small tunnels, in the beautiful planned community of Peachtree City. The course was voted the Best Course by Georgia Athlete Magazine and is always a sellout, so register early.

As you cross the electronic mats at the start and finish lines, the timing tag emits a unique signal that allows the system to identify you and calculate your finish time. You must be wearing your timing chip on your shoe correctly to receive a race time. **NO CHIP ON SHOE = NO TIME**
